\*\*PATIENT COPY\*\*

Privacy Officer: Marlene Magness

Get an	our responsibilities to help you.  You can ask to get a or paper copy of your medical record and other health information we have about you. Ask us ho		
electronic or paper copy of	do this.  We will provide a copy or a summary of your health information, usually within 30 days of your request. We may charge a		
your medical record	reasonable, cost-based fee.		
Ask us to correct	You can ask us to correct health information about you that you think is incorrect or incomplete. Ask us how to do this.		
your medical record	We may say "no" to your request, but we'll tell you why in writing within 60 days.		
Request	You can ask us to contact you in a specific way (for example, home or office phone) or to send mail to a different address.		
confidential communications	We will say "yes" to all reasonable requests.		
Ask us to limit	You can ask us not to use or share certain health information for treatment, payment, or our operations.		
what we use or share	• We are not required to agree to your request, and we may say "no" if it would affect your care. If you pay for a service or health care item out-of-pocket in full, you can ask us not to share that information for the purpose of payment or our operations with your health insurer.		
	We will say "yes" unless a law requires us to share that information.		
Get a list of those with	You can ask for a list (accounting) of the times we've shared your health information for six years prior to the date you ask, who we shared it with, and why.		
whom we've shared information	We will include all the disclosures except for those about treatment, payment, and health care operations, and certain other disclosures (such as any you asked us to make). We'll provide one accounting a year for free but will charge a reasonable, cost-based fee if you ask for another one within 12 months.		
Get a copy of this privacy notice	You can ask for a paper copy of this notice at any time, even if you have agreed to receive the notice electronically. We will provide you with a paper copy promptly.		
Choose someone to act	If you have given someone medical power of attorney or if someone is your legal guardian, that person can exercise your rights and make choices about your health information.		
for you	We will make sure the person has this authority and can act for you before we take any action.		
File a complaint	You can complain if you feel we have violated your rights by contacting us using the information on page 1.		
if you feel your rights are violated	You can file a complaint with the U.S. Department of Health and Human Services Office for Civil Rights by sending a letter t 200 Independence Avenue, S.W., Washington, D.C. 20201, calling 1-877-696-6775, or visiting www.hhs.gov/ocr/privacy/hipaa/complaints/.		
	We will not retaliate against you for filing a complaint.		
	th information, you can tell us your choices about what we share. If you have a clear preference for how we ion in the situations described below, talk to us. Tell us what you want us to do, and we will follow your instructions.		
In these cases, you have both the right and choice to tell us to:	Share information with your family, close friends, or others involved in your care		
	Share information in a disaster relief situation		
	Include your information in a hospital directory		
	Contact you for fundraising efforts		
	If you are not able to tell us your preference, for example if you are unconscious, we may go ahead and share your information if we believe it is in your best interest. We may also share your information when needed to lessen a serious and imminent threat to health or safety.		
In these cases	Marketing purposes		
in these cases we never share			
your information	Sale of your information     Most sharing of psychotherapy notes		
unless you give us written permission:			

runuraising.				
How do we typically use or share your health information? We typically use or share your health information in the following				
ways.				
Treat you	We can use your health information and share it with other professionals who are treating you.	Example: A doctor treating you for an injury asks another doctor about your overall health condition.		
Run our organization	We can use and share your health information to run our practice, improve your care, and contact you when necessary.	Example: We use health information about you to manage your treatment and services.		
Bill for your services	We can use and share your health information to bill and get payment from health plans or other entities.	Example: We give information about you to your health insurance plan so it will pay for your services.		
How else can we use or share your health information? We are allowed or required to share your information in other ways – usually in ways that contribute to the public good, such as public health and research. We have to meet many conditions in the law before we can share your information for these purposes. For more information see: www.hhs.gov/ocr/privacy/hipaa/understanding/consumers/index.html.				
Help with public health and safety issues	We can share health information about you for certain situations such as:     Preventing disease     Helping with product recalls     Reporting adverse reactions to medications     Reporting suspected abuse, neglect, or domestic violence     Preventing or reducing a serious threat to anyone's health or safety			
Do research	We can use or share your information for health research.			
Comply with the law	We will share information about you if state or federal laws require it, including with the Department of Health and Human Services if it wants to see that we're complying with federal privacy law.			
Respond to organ and tissue donation requests	We can share health information about you with organ procurement organizations.			
Work with a medical examiner or funeral director	We can share health information with a coroner, medical examiner, or funeral director when an individual dies.			
Address	We can use or share health information about you:			
workers'	• For workers' compensation claims			
	• For law enforcement purposes or with a law enforcement official			
compensation, law	With health oversight agencies for activities authorized by law			
enforcement.	• For special government functions such as military, national security, and presidential protective services			
and other government requests				
Respond to	• We can share health information about you in response to a court or administrative order, or in response to a subpoena.			
lawsuits and legal actions	ad by love to maintain the privace and cognitive of your protected health information			

• We may contact you for fundraising efforts, but you can tell us not to

In the case of fundraising:

## We are required by law to maintain the privacy and security of your protected health information.

- We will let you know promptly if a breach occurs that may have compromised the privacy or security of your information.
- We must follow the duties and privacy practices described in this notice and give you a copy of it.
- We will not use or share your information other than as described here unless you tell us we can in writing. If you tell us we can, you may change your mind at any time. Let us know in writing if you change your mind.

For more information see: www.hhs.gov/ocr/privacy/hipaa/understanding/consumers/noticepp.html.

## Changes to the Terms of This Notice

We can change the terms of this notice, and the changes will apply to all information we have about you. The new notice will be available upon request, in our office, and on our web site.
